

AIGA/DOT Symbols for Transportation

File can be opened in Illustrator for vector art usage

These symbols were designed in the 1970's through a collaboration between AIGA and the DOT for use in public transportation and civic spaces. They are available as copyright-free symbols within the public domain. AIGA Signs and Symbols Committee members: Thomas Geismar, Seymour Chwast, Rudolph de Harak, John Lees, Massimo Vignelli; Designers: Roger Cook and Don Shanosky; Execution: Page, Arbitrio and Resen, Ltd; Project coordinators: Don Moyer and Karen Moyer, Mark Ackley and Juanita Dugdale
